

The Bestseller, 1997, 720 pages, Olivia Goldsmith, 0061096083, 9780061096082, HarperCollins, 1997

At Davis & Dash, one of New York's most prestigious publishing houses, five new authors will be published--but only one of them will be a bestseller. They have worked long and hard to write their novels of romance and murder, drama and love. But the story behind the stories is even more exciting. And the vicious competition to get the right agent, the perfect editor, and the choice spot on the bestseller list must be seen to be believed. Master novelist Olivia Goldsmith, bestselling author of *The First Wives Club* and *Marrying Mom*, takes a scathing and hilarious inside look at the deviously cutthroat world of publishing. She pierces egos, produces the dish, and punctures more than a few careers in this one-of-a-kind novel where dreams come true and writing is its own reward.
